Ancient Section Shall Be *Undisturbed.

"In the first part of the century the The the first part of the century the willage was the home centre of our city. The decision ran, "and with the sweetness of its gardens and cooling shades of its trees and its home atmosphere and influence it formed a great bulwark of moral force. During the civil war her sons were among the best of our defenders. After the war it did not contain the same of the same as a private residential centre for native American families, but opened its portais to all decent and striving people of other lands.

"It was the Irish race who first sought to make homes in this section, and no more sturdy race ever helped better to add strength of morals and cleanliness of lives than these Irish people. They were religious and industrious, and found time and means to build churches and schools for their children. Then came of the plodding Germans, who fied from village was the home centre of our city."

A Most Extraordinary Sale of Women's Fine "Sample" Suits

\$29.75

ASED on the manufacturer's regular wholesale prices, the Suits comprising this collection would be retailed regularly as follows: 20 of the Suits would be \$35 13 of the Suits would be \$37.50

10 of the Suits would be \$42.50 3 of the Suits would be \$50 4 of the Suits would be \$60 4 of the Suits would be \$65

Just 75 women may share in the remarkable good fortune which this offers. They will be those astute women who watch for these events to obtain apparel of grades far and beyond what a moderate price (like \$29.75) could ordinarily obtain.

These suits are the style-idea creations of makers who confine their trade in Manhattan to only the exclusive of the upper Fifth Avenue houses.

They are masterpieces of fine tailoring. There are strictly-tailored models and dressier effects—all with the distinguishing features that show them to be high-prices garments. Materials offer choice of
